The Ambedkar Study Circle organised an educational trip "**Visit to Parliament**" on Friday, 20th January, 2017 which was open for students of different courses of the college. The purpose of the trip was to acquaint students with a first hand and direct knowledge of how Indian Constitution works and the role Dr. Ambedkar played in its making. Mr. Sanoj Kumar, Convenor of Ambedkar Study Circle (ASC) and 5 teachers from History, Hindi, Economics and Commerce department were among the faculties to represent, accompany and lead the list of 42 students during the trip. A number of non-teaching staffs also joined the trip to enlighten themselves about functioning of our country's Parliament. During the trip students, teachers and accompanying non-teaching staffs of SLC had an opportunity to visit both the chambers of Parliament i.e., the Lok Sabha and the Rajya Sabha and Central Hall. The students had an opportunity to witness the winter session of the Parliament where they observed the Parliamentarians deliberating in the Lok Sabha. The visitors were also taken to galleries of Lok Sabha, Rajya Sabha and the Central Hall. They also had an opportunity to visit the Parliament Museum where photographs of the eminent personalities of the Constituent Assembly involved in the making of Indian Constitution have been displayed. The historic role played by Dr. B.R. Ambedkar has been highlighted in some of the pictures in the galleries. The visit was an enriching experience for the students as it provided them an opportunity to witness the proceeding of the parliament from close quarters, see democracy at work and carry impressions of the functioning of their representative in the Parliament. The visit also provided students an opportunity to see and appreciate the architectural style of the buildings. It further, led them to experience the environs from which Indian State functions, as well as develop interest in the Indian law and working of the legislature proceedings.
