“Role of SLC in Developing Life Skills Set”

Interactive-cum-Mentoring Session on “Role of SLC in Developing Life Skills Set”

Centre for Industry Interaction (CII) & IQAC organised an Interactive-cum-Mentoring Session on the topic “Role of SLC in Developing Life Skills Set”. Mr. Mohit Sethi started his talk by acknowledging the contribution of the Principal Sir and all his teachers in his journey at SLC and the skills he acquired here. He gained maximum of his skills while he was in the college. The factor that motivated him to develop all the skills was the cut throat competition for limited resources. He explained all the qualities how to increase one’s employability and how he implemented them in his life. He reinforced this by giving some live examples and situations. Most importantly, he talked about the importance of EQ (emotional Quotient) for making the world a better place. The session ended with an advice on stress management.

Then there was a quality resourceful Question and Answer round where students cleared the misconceptions and doubts relating to Developing Life Skills Set. Dr. Ruchika Ramakrishnan, CII and Alumni Affairs Convenor was also giving her inputs throughout the session. The session ended with a vote of thanks to the speaker and all the attendees. 65 students attended the interactive session. There was a positive feedback from all the attendees. Overall the workshop was successful.
