

### ***Innovation day, October 15, 2019***

"Learning gives creativity, creativity leads to thinking,  
thinking leads to knowledge, knowledge makes you great".

Dr. A.P.J. Abdul Kalam

Innovation Day was organized by Innovation Council, SLC on 15th October 2019 to mark the Birth Anniversary of Dr. A.P.J. Abdul Kalam. The event was explicitly organized for school students and we had participation of brilliant students from Gandhi Memorial Govt. Boys School, Shahdara and also from Arwachin Bharti Bhawan Senior Secondary School.

The Highlight of this event were, The Poster Making Competition and the Slogan Writing Competition. SLC Principal, Prof. Rabi Narayan Kar and Innovation Council's Convenor, Dr. Kusha Tiwari, along with all the faculty members and organizers, were present to keep the memory of our Former President of India, Dr. A. P. J. Abdul Kalam, intact and also to keep the students motivated all through.

33 students participated with avidity and came up with incredible ideas for both the competitions. We wish the students the best for their future endeavours.
