How to crack CAT and Why to pursue MBA

Nov 11, 2019

REPORT

The Training and Placement Cell of SLC organised a workshop on the topic 'How to crack CAT and why to pursue MBA' on 11th of November 2019. A renowned author and motivational speaker by T.I.M.E group "Mr. Neel Anil Panicker", was invited as the chief guest. He apprised the audience about the building steps towards MBA and also discussed the myths and real facts of how and why MBA will help one in their career. He threw light on the various steps of **Knowledge Management success**, i.e., making realistic goals, treating knowledge as an asset, the need to balance the vision and also to be open to change. He focussed upon how one needs to learn from past, how to accept cultural changes and how to avoid making the same mistake again. He emphasized on the fact that **consistency** is the key to success and how regular hardships lead to success. In continuation to this, the Speaker made students realise how MBA helps in one's career growth. Whether one is working as an **entrepreneur** or in corporate sector, he was of the view that MBA provides a lot of career opportunities. To get into any kind of management course, one has to crack **CAT** exam and to crack any exam what's more important is to analyse the question paper. He talked in detail about the art of analysing the question paper.

The workshop witnessed the presence of active participants including the staff and Training and Placement Cell members. The one-hour long workshop which kick-started with some basic key points of how and why to crack **MBA**, what is the minimum eligibility for a person appearing for "CAT" and went on to clarify the queries of our students. He interacted with students and teachers as well and answered a lot of queries.

The workshop ended with a vote of thanks by members of the Training and Placement cell. This workshop was helpful for our students as well as teachers and brought the participants one step ahead in the race of how to crack CAT. The event was attended by 72 students.
