ADD-ON COURSES

1st November'18

With the support and guidance of honorable Principal Sir, Prof. Rabi Narayan Kar and dedication of CSD team led by Convenor, Dr. Kavita Arora. Add-On Courses were first introduced in October 2017. The starting of the session was marked with launch of Foreign Language Courses in college to meet the challenges of globalization. In the process of introducing more focused and career-oriented programmes, it is a pioneering initiative at SLC by the Skill Development Cell:

Certificate Course in How to be an Expert Trader in collaboration with Bombay Stock Exchange Ltd. The add-On Course was introduced in October 2017. Since then, the course successfully trained 3 batches of students. International recognition, training from expert faculty of BSE, Mock trading, learning golden rules of trading are the highlights of this course. The cell organized an Award Distribution Ceremony on 1st November'18 to felicitate the students who have successfully completed the course in stock trading and have received the awards.CA Sachin Aggarwal, Consultant, BSE Inst. Ltd. was the speaker.

The cell received overwhelming response for its maiden endeavor of starting Foreign Language Courses under the aegis of Department of Germanic & Romance Studies, University of Delhi during the session (2018-19). Around 100 students enrolled themselves under first batch of language courses namely Certificate Course in German, Certificate Course in Spanish and Certificate Course in French. In the forthcoming academic session 2019-20, the cell aims to introduce many more new courses and workshops that will take learning from small classrooms to bigger conclaves.
