

## **Internship Opportunities**

An internship drive was carried out with *Internshala* where students got to know about the internship opportunities related to their field. Many students got associated with various companies offering internships. Centre for Skill Development provided students this platform so that students can learn

Internship proposals were provided for our students from Martin Mulligan Marketing Ltd., United Kingdom.

They have the vacancies for Digital Marketing, HR, Sales, Market Research and Marketing Financial Analyst internships. All internships are available immediately and remotely. Interested students have enrolled and are enjoying the experience.

The centre provided students an internship opportunity by founderINDIA for Content Writer position. This received an overwhelming response as it was a 3-month paid internship where fresher students could turn themselves into professionals.
