- Overall Preparation Strategy

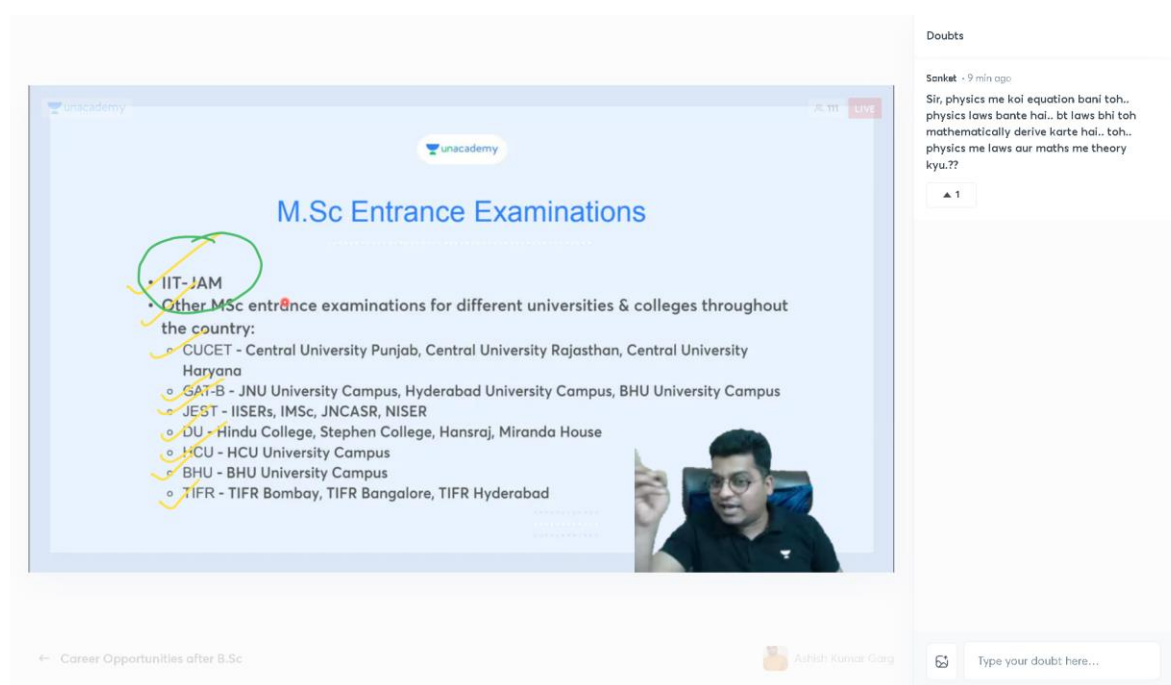

Speaker
Ashish Kumar Garg
M.Sc Maths IIT Madras, MTech in CS IIT Kharagpur ,P.HD DTU, AIR-110 IIT JAM,NBHM Holder, Qualified IISC,TIFR,GATE,BHU AIR 2,JAMIA AIR 1

This session was addressed by Dr. Ashish Kumar Garg , enlightening students about various career and job options after B.sc for which he also provided a thorough analysis to achieve them. He discussed many important tips and tricks to crack competitive exams and also gave strategies to prepare for those tests. With his bold and remarkable words, he motivated and inspired students to chase their goals with determination. He went on to discuss his journey and the incredible learning experience that such insightful exams provided him. He also encouraged students to continue their thirst for knowledge throughout their lives.

He discussed the eligibility criteria for IIT JAM 2023 while taking up questions from the students. The role of a B.sc graduate in MNCs and scientific institutes was highlighted to give students a glimpse of what is stored for them in the future and further career opportunities.

The screenshot shows a Unacademy webinar titled "M.Sc Entrance Examinations". The main content lists various entrance exams and their respective institutions:

- IIT-JAM
- Other MSc entrance examinations for different universities & colleges throughout the country:
 - CUCET - Central University Punjab, Central University Rajasthan, Central University Haryana
 - SAT-B - JNU University Campus, Hyderabad University Campus, BHU University Campus
 - JEST - IISERs, IMSc, JNCASR, NISER
 - DU - Hindu College, Stephen College, Hansraj, Miranda House
 - HCU - HCU University Campus
 - BHU - BHU University Campus
 - TIFR - TIFR Bombay, TIFR Bangalore, TIFR Hyderabad

The chat window on the right shows a question from a user named Sanket: "Sir, physics me koi equation bani toh.. physics laws bante hai.. bt laws bhi toh mathematically derive karte hai.. toh.. physics me laws aur maths me theory kyu??". The chat also shows a "Doubts" section and a "Type your doubt here..." input field.

All participants who took part in the webinar demonstrated their enthusiasm and commitment magnificently by constantly asking different queries and responding positively to the answers received.

The session was held in online mode on the Unacademy app and it ended with a round of discussion and various queries of the students were also rectified. After the splendid interactive session, he thanked all the students for joining in and for making this webinar a great success and inspired all students to keep moving forward and keep looking for opportunities without being disheartened by failure..
