OUR SPONSOR

A3Charge - a Rental Power Bank service has brought a revolution in the power bank market with its up-to-date technology which qualifies all safety standards and sleek design that can be found at multiple strategically located stations that are operational 24/7 across Delhi-NCR.

The event started at 11a.m. with a welcome address by honourable Principal sir and Dr. Bharat Bhushan. He mentioned to the students about Metvy and Mr. Luthra.

In the beginning, Mr. Luthra addressed the students by introducing himself and giving them the glimpses of his journey and the foundation story of Metvy. There were around 150-200 students engagingly listening to him. He encouraged students to work towards fulfilling their dreams. The aim of the seminar was to familiarise the budding entrepreneurs with the challenges faced by an entrepreneur through a practical example.

The session was followed by a round of question and answer between the students and Mr. Luthra. Students asked questions like How to handle criticism that come their way ,How to create a strong team for a startup , how to find that what kind of business is right for me, etc., , which he answered very precisely along with examples and his experience.

The event ended with a thank you note by Dr. Bharat Bhushan and Ms. Palak kakkar Bhasin.
