Eco-club (the_last_leaf) Shyam Lal College
In collaboration with
Department of Environment, Government of NCT, Delhi

On January 20th, 2023, our Eco-club and SAP volunteers organized an e-waste awareness drive on the campus and in the nearby Shahdara area of Shyamlal College. During the event, our students raised awareness about e-waste and informed the community about proper disposal methods, helping them manage e-waste responsibly and protect the surrounding environment from its burden. Our volunteers created flyers that explained the benefits of recycling and provided dos and don'ts; these were distributed throughout the neighbourhood. People showed a keen interest in understanding e-waste pollution and responded positively. This drive aims to encourage a more positive approach to recycling and has spurred more active participation in recycling efforts. A total of 60 students actively participated in this drive.
