

Eco-club (the_last_leaf) Shyam Lal College
In collaboration with
Department of Environment, Government of NCT, Delhi

On 22nd April, 2023, the Shyam Lal College Eco-Club organized a plantation drive in collaboration with SAP in honor of “Earth Day.” To increase public awareness and consciousness about the environment, students from various streams planted saplings and displayed posters in the college garden as well as at their homes. Planting trees is not only something that should be done; rather, it is an urgent need of the moment. To protect our environment from air pollution and global warming, tree planting is especially crucial. The campaign was a great success, giving students in-depth knowledge of the environment and plants. 20 students participated in this drive.
