

GANITA-2023

Anantsparshi, the Mathematical Society of SLC organised its annual fest GANITA'23 on 28th April, 2023 in college premises. The aim of the fest was to give students a platform to showcase their talent by participating in various activities. It provided an opportunity for the students to explore their latent skills.

Event commenced with lamp lighting followed by melodious Saraswati Vandana. Teacher-in-Charge, Mr. Balram Kindra delivered a welcome speech. He stated the repositories of ancient Indian culture and inspired students to be deeply rooted to our cultural ethos. Next, Dr. Subodh Kumar elucidated upon the different ways in which students can be empowered with the ancient mathematical techniques.

Fest consisted of various enthralling and mesmerizing events. Students presented PowerPoint presentations on the topic “Contribution of Indian Mathematicians” and “Applications of Mathematics”. Works of ancient Indian mathematicians like Ramanujan, Sridhar Acharya, Madhava and many more were highlighted. A movie was screened on the life of renowned mathematician Aryabhata. It captivated the attention of the students. Colourful and vibrant mathematical rangoli was made by students. Mathematical quiz was the main attraction of the fest. It witnessed the highest participation. 6 teams of 2 members each participated in the quiz. The students participated with true competitive spirit. The winning teams of the fest were awarded with certificates and cash prizes. 18 faculties and 107 students attended the fest.
