

Report

'Debate Competition & Chemistry Quiz'

organized by

Department of Chemistry, SLC

This is hereby reported that Department of Chemistry, Shyam Lal College organized a '**Debate Competition & Chemistry Quiz**' on 5th May 2022 in Seminar Hall. The topic for debate was 'Electronic Vehicles: Boon or Bane' and that for quiz competition was 'Periodic Table' (**Annexure 1**). Around 100 students from various disciplines participated in the event with great enthusiasm. The debate competition was judged by the faculty members of chemistry department. Some students spoke with and some other against the motion. Both kinds were strongly supported by statistical and scientific facts, findings, reports and data. Three winners were chosen and awarded by giving certificates. In the quiz competition, students participated in pairs. In round 1, each team were given a sheet containing a set of multiple choice questions. Students submitted their answers on spot in the stipulated time frame. Afterwards, a table tap round was conducted and the combined scores of both the rounds helped in declaring the winner teams. Hard work of the student volunteers and cheerful faces of the participants clearly depicted the extent to which they enjoy the event. For this overwhelming success, the organizers are very thankful to **Prof. Rabi Narayan Kar** (Principal, SLC) and **Dr. Ashu Gupta** (Convenor) for their support and guidance throughout the organization of this event. Glimpses of the event are attached herewith as **Annexure 2**.
