Keeping in mind the benefit of the students who come from very humble background, we have to have 2 sets of assignments, which would be as follows:

- A set of assignment will be for the students who are from outside Delhi/NCR and do not have access to any system having Tally.erp9 software. For them the assignment would consist of theoretical concepts in Tally.erp9.
- The second set assignment will be for the students who are from Delhi/NCR. If the students of Delhi/NCR do not have access to a system having Tally.erp9 software then they would be provided with the access to College computer laboratory for preparing their assignments.
