

Slum Visit under Swarnkriti

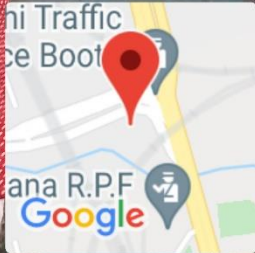

Enactus SLC organized a slum to start our upcoming project "SWARNKRITI" on ground level, members of Enactus (Slc) visited its beneficiaries at Hafiz Nagar.

Our Beneficiary

Ms. Rekha, one of our beneficiaries in project Prayojya agreed to work with Enactus SLC in our upcoming Project Swarnkriti. With the help of Enactus SLC previous Project Prayojya which turned out to be a remarkable success, Ms. Rekha found a new business and continued manufacturing products with her skills and ideas. Within a short span of time, our beneficiary was able to convert her hobby into a profitable business. The business was offering a lot of value to the customers and therefore she was able to sell her products in other countries too. This helped her in earning a living as well as supporting her family as they were facing a financial problem.

We meet the beneficiaries and discuss our upcoming project, its products, about available markets, and various other areas concerned with the project.
