Equipping for Success: Enactus SLC Empowers Students at Compeito-2023

Enactus SLC, Shyam Lal College's social entrepreneurship and community outreach organization, played a crucial role in supporting students' career aspirations at Compeito-2023, an event organized by the college's Placement Cell on February 13th and 14th. Their unique contribution at the event added significant value to the professional development experience for students.

Enactus SLC's stall stood out by offering a distinctive service: resume-building assistance. Recognizing the importance of a strong resume in the competitive job market, the society's dedicated team provided valuable guidance and support to students preparing for interviews.

With their expertise and collaborative spirit, the Enactus SLC members assisted nearly 45-50 students in crafting impactful resumes that effectively showcased their skills and experiences.

This initiative exemplified the impactful collaboration between Enactus SLC and the Placement Cell. While Enactus SLC is traditionally known for its social entrepreneurship projects, this event highlighted the organization's broader commitment to empowering students.

By providing crucial career guidance and support, Enactus SLC went beyond social entrepreneurship to equip students with the tools and resources necessary to navigate their professional journeys successfully.

The assistance offered by Enactus SLC not only benefited individual students but also contributed to the overall success of Compeito-2023. By equipping students with the confidence and skills needed to excel in interviews.
