

## **INTERNATIONAL WORKSHOP On “Lessons for Skill Development: European Perspective”**

*7th January, 2020*

International workshop on “*Lessons for Skill Development: European Perspective*” was organised by Centre for Skill Development (CSD) in collaboration with Innovation Council (IC), SLC on 7th January, 2020. The resource person for the workshop was Prof. Slagjana Stojanovska, Integrated Business Faculty, Macedonia. The event started with auspicious lamp lighting by the guest of honor, principal sir and the fellow faculty of the college. Dr. Rabi Narayan Kar, principal SLC addressed the gathering with his words of wisdom and presented a token of gratitude to the guest of honor. Dr. Kavita Arora, convenor, CSD felicitated principal sir. The workshop was attended by the college faculty- Dr. Kinshuk Majumdar, Dr. Seema Dabas, Dr. Ritu Aggrawal, Dr. Komilla Suri, Dr. Rajeshwari, Ms. Jyoti Chaudhary, Dr. Mukta Rohtagi, Dr. Ashu, Dr. Jasvir Singh, Dr. Mast Ram, Ms. Sumanjeet Kaur. Around 50 students of various courses and CSD students’ team attended this interactive workshop.

Prof. Slagjana Stojanovska started with her talk about the European model of skill development. She talked about her vast experience in the field of industry and academics specializing in marketing management strategies, project management. Then she discussed about the startup culture in her university and how a business student there needs to float their company and liquidate the same which gives them practical experience about a company formation. The workshop had a rich inquisitive discussion with Prof. Slagjana Stojanovska, faculty members. Students got to learn a lot from the guest speaker. The ways and means of learning and developing skills while completing studies. Students also got to know about the skill development initiatives and practices in European countries. They also shared their ideas with the audience and how they want to turn it into some profitable business venture as well. Through this workshop students were able to clear their doubts and apprehensions regarding learning new skills. It would be helpful for them in building a successful career.

The Dr. Kavita Arora, Convenor of CSD also shared her views on the importance of skill development and its relevance in today’s competitive world. She enlightened the students about various initiatives taken by the CSD of SLC in imparting various skills among the college as well as university students. The session ended with a quick question- answer round from students and the faculty. Dr. Kavita Arora, Convenor, CSD presented the final vote of thanks to conclude the workshop.
