

ECOPRENEUR: The Pitch-It-Out Challenge

Number of participants:-20

Brief Description:-

The ECOPRENEUR Pitch-It-Out Challenge, part of Vasantotsav'25, was held on 25th February 2025, fostering innovation and sustainable entrepreneurship among students. The competition featured a sustainability-themed quiz, followed by a pitch round where finalists were assigned an eco-friendly product and had to develop a compelling business pitch. Participants showcased creativity, problem-solving, and business acumen before an esteemed panel. Winners were awarded trophies and certificates, while all participants received e-certificates. The event successfully encouraged future entrepreneurs to think critically about sustainability and its role in shaping
