

Talking Titans: The Extempore Competition

Number of Participants: 17

Brief Description:-

Held on 24th-25th February 2025 as part of Vasantotsav'25, Talking Titans provided a platform for participants to enhance their spontaneity, articulation, and persuasive speaking skills. The competition encouraged critical thinking, confidence, and adaptability, essential traits for effective communication. The final round, judged by esteemed faculty, witnessed compelling speeches that showcased clarity of thought, structured argumentation, and impactful delivery. Winners were awarded trophies and certificates, with e-certificates for all participants. The event concluded with a message emphasizing the power of extempore speaking in shaping articulate and confident individuals.
