Summary of the Lecture:

He was invited to make the students aware of the nuances of Digital India Campaign, launched by the Government of India and train students with respect to MHRD's Project VISA KA. He started the session with an amusing Power Point Presentation. It focused on:

- Digital India - Power to empower.
- National Institute of Electronics and Information Technology (NIELIT).
- JAM (Jandhan, Aadhaar, Mobile)
- Digital locker.
- Motive of Digital India Campaign- Paper-free, line-free and tension-free Bharat(India).
- National Digital Literacy Mission (NDLM).
- The use of three Apps for better safety of transactions- Airtel Merchant, Vodafone M-Pesa Wallet and State Bank Buddy.

Mr. Rishabh Aggarwal suggested some significant ways to the students to carry on the project more effectively and efficiently. He also answered the queries of students regarding the execution of the project. Dr. Rabi Narayan Kar (Principal, SLC) congratulated and appreciated the volunteers of project VISAKA (CHD, NCC, NSS) for making this project a huge success.

Dr. Ruchika Ramakrishnan (CHD Convenor) thanked the Principal Sir, Dr. Rabi Narayan Kar, for his continuous encouragement and support for implementation of this project. She told the audience that in fact he is the only principal in University of Delhi who accompanied the students to the Mandi. Undoubtedly, this gesture really motivated all the volunteers and helped in making this project a huge success in SLC. She also shared her experiences and advised the students to use Debit cards. She motivated them to continue the journey beyond any official deadlines and achieve the ultimate goal of making India a Cashless Economy. Dr. Usha Kashyap, a very senior learned faculty member, also congratulated the volunteers and expressed her happiness by saying that the teachers are overwhelmed on witnessing such a large-scale participation of the youth of SLC in building a glorious India.

The event was attended by 62 students.
