DATE: 12th January 2022

TIME: 4:00 PM - 5:30 PM

12th January 2022 was an auspicious day as it was the birth anniversary of Swami Vivekananda and we also celebrated the National youth festival which took place on zoom meet platform. The session was initiated by Mrs. Seema Dabas and Dr. Vivekanand Nartam by giving a warm welcome to our keynote speaker Swami Shyama Chaitanya Ji and chief guest for today's session Prof KB Das.

We had 29 participants all together who attended the Session. Today's session was not only Remarkable, Knowledge, Interactive but it also opened and changed the minds of students towards life.

Prof KB Das commenced the session by sharing his life experiences with everyone. He is the honorable Vice-Chancellor of Jharkhand, Ranchi. His thoughts and perspective gave us all more clarity and motivation towards reaching our goal.

Further, Swami Shyama Chaitanya Ji shared with us the life journey of Swami Vivekananda. He enlightened us with all the positive thoughts of Swami Vivekananda. He further discussed how swami Vivekananda did not allow any negative thoughts to enter his brain for 16 years. He also enlightened us with the thought of Swami Vivekananda that self-interest and self-belief is our biggest motivation.

It was such an enriching experience that students are looking forward to it.

Special thanks to our principal Prof. Rabi Narayan for giving us this opportunity.
