Centre for Industry Interaction (CII) & IQAC organised an Interactive-cum-Mentoring Session on the topic “Navigating Uncertainties: Pandemic and Employability”. The session was organized on 16th April, 2021. It started with a warm welcome from the Principal Sir and the teachers. It was a matter of great pleasure and honor for students to get acknowledged by Our Respected Principal Sir Professor Rabi Narayan Kar. Principal Sir motivates students with his kind words. After that Deepam sir started to talk about the employability and the corona. The main objective of the session was to motivate students to improve their skills and to make best of their time especially in times of pandemic. He started with telling his story from his college life to the corporate world. He gave us suggestions on how to judiciously use this pandemic time in this period and upgrade our skills. Excellence is the only thing that can make us employable. Then he gave us some tips and tricks on how to know what to learn....and what not to. So his basic emphasis was to see the pre requisite skills of our dream job and acquire the skills accordingly then he placed the role of all the teachers in his success. Then there was a quality resourceful Question and Answer round where students cleared the misconceptions and doubts relating to corporate world and employability in these times. Dr. Ruchika Ramakrishnan, CII and Alumni Affairs Convenor was also giving her inputs throughout the session. The session ended with a vote of thanks to the speaker and all the attendees. 85 students attended the interactive session. There was a positive feedback from all the attendees.
