

NEP Teachers' Training Programme II

Proceedings of the Second Training Programme on “Roadmap to NEP Implementation” held on 16th Dec 2021.

The second training Programme on “**Roadmap to NEP (National Education Policy) Implementation**”, was held under the aegis of Vidya Bharati Uchcha Shiksha Sansthan in collaboration with Policy Centre and Gender Lab of Miranda House, NEP Task Force, Shyam Lal College and Jawaharlal Nehru University on **16th December 2021 from 10.00 am**. Around 30 teachers of SLC along with four resource persons deliberated upon several crucial topics concerning higher education vis-a-vis curriculum. Prof. Nageshwar Rao, Vice Chancellor, IGNOU, Dr. Ruchir Gupta, Jawaharlal Nehru University, Dr. Lokesh Jindal, Jawaharlal Nehru University, Prof. Unnat Pandit, Jawaharlal Nehru University presided over this training programme, which was second in the series of three such programmes to be held for Social Sciences, Commerce & Economics and Sciences.

The Training programme had three sessions and a valedictory session in which Session I (10 am – 11.30 am) dealt with “Vision of NEP 2020: The Road Ahead; Session II (12 noon – 1.30 pm) dealt with “Implementing NEP 2020 in Higher Education Institutions” and Session III (2.30 pm – 4 pm) was “Open House and Discussion”. The programme was inaugurated by ceremonial lamp lighting and the welcome note by Prof. Ruchir Gupta, JNU.

Resource Persons for Session I were: Prof. Nageshwar Rao, Vice Chancellor, IGNOU and Prof. Ruchir Gupta. Both the resource persons talked in detail about the importance of understanding the vision of NEP and preparing a roadmap for its implementation. Prof. Rao highlighted the role of colleges in modernizing the education system in India.

In Session II, Dr. Lokesh Jindal, Jawaharlal Nehru University and Prof. Unnat Pandit, Jawaharlal Nehru University talked about the Flexibility in administrative approach is necessary and also deserving faculty should have a chance in the course designing in the new scheme of things.

In the post lunch Open House and Discussion session, the participants put forward their views on present curriculum and the changes that need to be made in sciences syllabuses. It was a very fruitful discussion that brought out various good suggestions from the teachers. This session also comprised of a 30 minutes exercise in which each participant was given a format to write down their suggestions about the redesigning of syllabus in light of NEP 2020. The NEP Task Force members later compiled these suggestions and made a detailed analysis which was later shared with the participants and collaborators.

The Valedictory session summarized the proceedings of the programme and the day concluded with vote of thanks to the resource persons, participants and organizers.
