Celebration of National Road safety

Week with Delhi Police

11th January 2020

The Road Safety Week was celebrated across India from 11th January 2020 to 17th January 2020. It was the 31st road safety week that was observed. The one-week long initiative across the subcontinent aimed at making the streets safer. Many methods of spreading awareness were implemented to ensure that India's roads can edge closer to becoming a completely accident-free zone. During the Road Safety Week in India, the police forces and other departments working for street safety spread awareness about the Motor Vehicles Act of 1988 and Motor Vehicles (Amendment) Bill of 2019. Several workshops, seminars, and meetings were organized to tell people about the rules and regulations that have been laid down by the Government. It not only focused on the precautionary measures but also educated the masses via banners, pamphlets, and hand-outs. Boards with emergency contact numbers were also put up at several locations. A seminar that was organized by Delhi Police on the occasion of National Road Safety Week at India Gate on 11th January 2020 was a great success. 30 National Service Scheme (NSS) volunteers of Shyam Lal College (M) (University of Delhi) had also represented the college by attending the event. Seminar focussed on the road safety rules to be followed by the citizens in order to make roads safe for everyone. The seminar also highlighted and emphasized the need for safe roads. Students got enlightened about various road safety rules and regulations.
