“Covid 19 Care & Vaccination: Myths Vs Facts”

National Webinar

IQAC & NSS SLC (University of Delhi) Shyam Lal College organizes a seminar on "Covid-19 Care & Vaccination: Myths vs Facts" by Dr. Manish Narang. The event was held on 11th May, 2021.

Under the ablest leadership Prof. Rabi Narayan Kar, Principal, SLC(University of Delhi) Shyam Lal College has always launched initiatives for the benefit of our students and society at large. Prof. Rabi Narayan Kar in his opening remarks welcomed Dr. Narang and expressed gratitude for taking time out of his busy schedule to address our students. He urged our students to take the message of the seminar and spread that in society so that the doubts and fear prevalent among people is dispelled appropriately.

The seminar on "Covid-19 Care and Vaccination: Myths Vs Facts" by Dr. Manish Narang, Professor, Department of Pediatrics, University College of Medical Sciences, Guru Teg Bahaddur Hospital, Dilshad Garden did receive enthusiastic response from students and participants from various places.

Dr. Narang himself has a long drawn experience in various vaccine development programs and he is currently involved in anti-Covid vaccine development initiatives. In his presentation, he categorically maintained that all vaccines are equally efficacious and have gone through rigorous trial procedures before approval. Therefore, people should not have any inhibition in relation to getting vaccinated.

The seminar was organized by IQAC and NSS of SLC. Dr. Kusha Tiwari, Convenor, IQAC has always been at the forefront of all such initiatives in the college. Dr. Jasvir Singh, Program Officer, NSS was equally crucial in the conduct of the seminar. More than 50 volunteers participated in this webinar.

The screenshot shows a Zoom meeting interface. On the left, a PowerPoint presentation is displayed. The main slide is titled "COVID-19 CARE AND VACCINATION: Myths Vs Facts" and lists the presenter as "Dr Manish Narang, Professor, Pediatrics, UCMS & GTB Hospital, Delhi, President, UCMS Alumni". The presentation includes a table of contents with four slides: "COVID-19 CARE AND VACCINATION: Myths Vs Facts", "SARS CoV2 Possible transmission methods", "When are you most infectious?", and "SYMPTOMS".

On the right side of the Zoom window, there is a list of participants:

- Usha singh
- Shyam Lal College
- yogesh
- kushatiwari
- Narayan Kar** (highlighted with a yellow border)

This screenshot shows the Zoom meeting grid. At the top left, there are icons for audio (muted), video (muted), and a "REC" indicator. The "Zoom" logo is visible in the top center. A "Leave" button is located in the top right corner.

The grid contains three video thumbnails:

- A placeholder for a participant named "Vivekanand Nartam".
- A video thumbnail of "Manish Narang" (the presenter).
- A video thumbnail of "kushatiwari" (highlighted with a green border), with "Unmute" and "Start Video" buttons overlaid.

At the bottom of the screen, there are controls for "Share", "Participants" (showing 22), and "More".
