Report on

“Bicycle Rally For Awareness About Cleanliness and Plastic-Free Delhi”

18th March, 2023

The National Service Scheme unit of SLC Volunteers participate in a Bicycle Rally for Promoting a Plastic-free Delhi Campaign in 100 days. The Rally was Scheduled on Saturday, 18th March, 2023 in Morning at 6:30 am with Shahdara North Zone of MCD and Confederation of Indian Cyclist #100daysSUPFreeMCD.

In the Rally, the Chief Guest was **Ambassador of Rwanda** along with Hon,ble Commissioner and Deputy Commissioner.

The Bicycle Rally was begin from MCD office North Zone via Shyam Lal College and proceed through the main roads and Market Places of the Shahdara City. The Route has been planned in such a way that it covers a significant part of the city and reaches out to a maximum number of people. The Participants in the Rally was include Cycling Enthusiasts, Environmentalists, Students, and Members of various Local Organizations. Around 10 students participated in the event.

The Rally will include Several Activities to engage the participants and spread the message of Plastic-free Living as follows:-

- ❖ Distribution of Flyers and Posters highlighting the harmful effects of Plastic.
- ❖ Encouraging People to take a Pledge to reduce their Plastic Consumption.
- ❖ Demonstrating the use of Eco-friendly Alternatives to Plastic, Organising a street play to create awareness about the issue.
- ❖ Providing Information about the Cycling as Sustainable Mode of Transportation.

The Bicycle Rally was for Promoting a Plastic Free City is a Crucial Step in Raising awareness about the issue and encouraging the people to adopt Eco-friendly Practices.

It Provides an opportunity for individuals and organizations to come together and take a collective action towards a Sustainable Future.

The Primary Objectives of the Bicycle rally are:

- To raise awareness about the Harmful Effects of Plastic in the Environment.
- To Promote the use of Eco-friendly alternatives to Plastic.
- To Encourage People to reduce their Consumption of Single-use Plastics.
- To Motivate People to take up Cycling as a Sustainable Mode of Transportation.

All participants were filled with enthusiasm. After completion of the rally, refreshments were also distributed.
