

UNNAT BHARAT ABHIYAN (MHRD PROJECT)

REPORT

On

Sanitization Of Village Kotwalpur

On 23 July, 2021, Unnat Bharat Abhiyan team of Shyam Lal College, under the aegis of Ministry of Human Resources Development, conducted a sanitization drive in one of its 5 adopted villages, Kotwalpur. The sanitization was aimed to reduce the chances of spreading infection by killing the viruses present on various objects, which helped in alleviating the rising CoVid cases in the rural areas. The team, along with the local volunteers, actively managed to disinfect the areas in the village, spraying the sanitizers outside the homes, stores and public places, covering doors, carts, vehicles, seating spaces and all the observed objects serving as points of contact. Also, a small amount of sanitizing solutions were provisioned to the needy ones to sanitize the other objects, as and when required. Sanitization of the whole village also facilitated cleaning the dust and garbage, thus serving the dual purpose. The team and the village dwellers both were satisfied seeing the mitigation of CoVid spread in their village. The Villagers expressed their gratitude towards the team and were equally impressed with their dedication towards the cause. 5 students participated in the event.
