The College has established the Centre for Industry Interaction (CII) to foster valuable engagements between students and industry professionals. The CII aims to equip students with a better understanding of industry expectations, professional realities, and career-building strategies. As part of its mission, CII organizes CORPUTSAV, its annual flagship event, which

serves as a platform for bridging the gap between academic learning and professional insight. This year, under CORPUTSAV'25, a mentoring session titled “Perseverance: A Life Skill” was organized. The event focused on instilling one of the most vital life skills—perseverance—among students. Esteemed alumni of the college, Ms. Gauri Malhotra and Ms. Riya Bhargava, were invited as speakers to share their life journeys, career experiences, and reflections on how perseverance has played a key role in shaping their success.

OPENING SPEECH AND INTRODUCTION

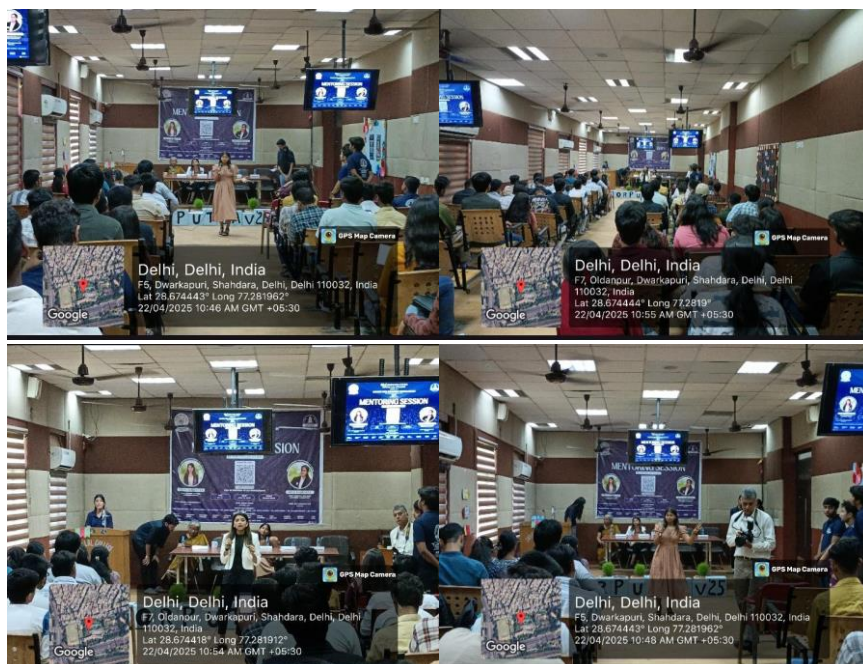

The event commenced with a warm welcome extended to all attendees and the distinguished guests. Both - Ms. Riya Bhargava, Credit Manager at ICICI Bank, and Ms. Gauri Malhotra, Lead Account Manager at EPICGROW GLOBAL, were introduced with great enthusiasm and reverence.

Following this, the auspicious lamp-lighting ceremony took place, symbolizing enlightenment and positivity. The event was further blessed with the singing of the University's Kul Geet, setting a graceful and proud tone for the session.

DISTINGUISHED ALUMNI AND THE INTERACTIVE - CUM - MENTORING SESSION

The core of the event began with the alumni taking the stage. Ms. Riya Bhargava shared her heartfelt journey—from being a student at the college to her current role at ICICI Bank. to one's goals despite challenges is a key driver of success. Following her, Ms. Gauri Malhotra spoke about her experiences, narrating her journey through both highs and lows. She candidly discussed her college days, her early career struggles, and how she overcame professional setbacks. Her message was clear and inspiring—"Don't give up on yourself when things get tough; instead, persevere with your dreams."

The session was highly interactive, with students enthusiastically participating and asking questions. The alumni offered genuine advice and practical tips, creating a mentorship experience that was deeply engaging and memorable.
