

SDC Workshop on "Towards A New Pedagogy: Films, Music, History, Technology and Skill Development"

10th January 2017

Workshop on the topic, "Towards A New Pedagogy: Films, Music, History, Technology and Skill Development" was organized on 10th January 2017. The Resource Person for the seminar Mr Sanjay Kumar, Assistant Professor, Department of History, SLC, enlightened the students and faculty members about the widespread impact of Art in various forms due to advanced technology. He beautifully explained the journey of Indian Cinema and music. The audience was introduced to "Karaoke", a Japanese form of interactive entertainment in which an amateur singer sings along with the recorded music using a microphone. Around 130 participants attended this workshop.
