(HoD Finance)

Theme: Artificial intelligence in finance

Organised By: Commlaze-The Commerce Association, CSD and IQAC

Dates & Mode: 10th May 2023, 11:00 AM; Hybrid mode

Number of participants: 50+ student participants & faculty members

Sponsor/Collaborator: In collaboration with CSD and IQAC

Commlaze, The Commerce Association of SLC, in collaboration with the Centre for Skill Development (CSD) and IQAC, Shyam Lal College organized a National Workshop on Artificial intelligence in Finance in hybrid mode on the occasion of farewell of the 3rd year students. The event started with the valuable words of the keynote speaker Prof. Dr Priya Solomon . She is presently HoD Finance and Controller of Examinations at Universal Business School, Universal AI University, Karjhat, Mumbai. She has more than 25 years of experience in academics and related administrative work.

She told about the various uses of AI in financial sector, role of AI in business, AI adoption by finance Area and various other statistics. She discussed the areas within the financial industry in which broadly understood artificial intelligence can provide a lot of value-added, for both the companies and their customers. She also covered a few of the key challenges that need to be tackled while implementing such techniques. The key takeaway of the session was that

artificial intelligence significantly contributes to the finance industry, and it will continue to keep the financial services updated and ready to face the market.

After the webinar, the felicitation ceremony of the Commlaze team and CSD team began. In the ceremony their efforts and hardwork were appreciated by Dr. Mukta Rohatgi, Teacher Incharge, Department of Commerce and Prof.

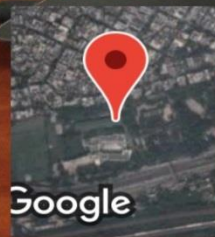

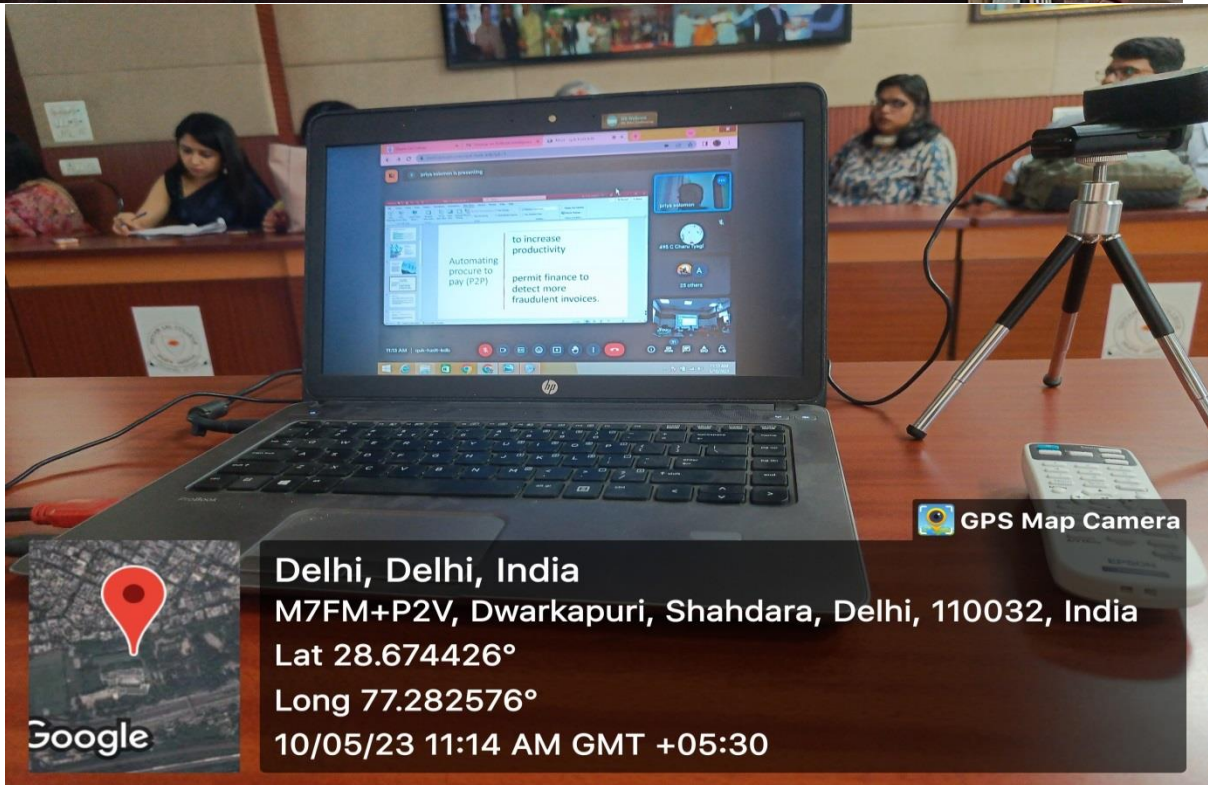

Kavita Arora, Convenor Commblaze & CSD. The team members were presented with trophies and momentos. The faculty members were also presented with momentos to welcome the new faculty members and to recognise their efforts and hardwork. To mark a auspicious new beginning of their life, the idol of Ganesh Ji were presented to the 3rd year students. The event was a great success where the students had a lot of fun through dancing, singing and enjoying various games.
