On the 20<sup>th</sup> of February, 2024 the Centre for Skill Development(CSD) in a timeless partnership with ICSI, organized a fruitful seminar for the students of Shyam Lal College on the correct path to 'EXPLORING CAREER AS A COMPANY SECRETARY'.

The aim of the seminar was to spread awareness among the students and participants about the career opportunities of achieving the degree of Company Secretary from Institute of Company Secretaries of India (ICSI). This also helped the participants to understand the course structure, curriculum, syllabus, fee structure and time to get this course done.

The program started at 12.00 pm in Room no.205 in the college premises. The programme commenced with Prof. Kavita Arora (Convenor,CSD) introducing the distinguished guest for the day, CS RUCHI GUPTA. The INSTITUTE OF COMPANY SECRETARIES OF INDIA or ICSI sent over the best in their quiver to educate the intuitive minds of the students. The seminar was further conducted by our guest speaker.

The seminar featured a distinguished speaker who was expert in the field of corporate governance and company secretarial practices. The presentation covered a wide range of topics, including legal compliance, corporate ethics and the strategic role of a Company Secretary in organizational decision-making. They also made the session easy to understand for the participants and explained to them the basics of being a Company Secretary and to know about the future prospects and job opportunities after becoming a Company Secretary from ICSI. The seminar provided ample networking opportunities, allowing attendees to connect with fellow professionals, experts and potential mentors in the field. This facilitated the exchange of ideas and experiences among participants. Brainstorming career opportunities for becoming Company Secretary among the students and participants and a healthy discussion on Company Secretary

as a career among our eminent resource persons and our participants took place after the presentation.

After all the lectures and discussions of our resource person, there was a question answer session between our participants and resource persons so that participants could clarify their doubts and ambiguities regarding this course. The seminar came to a fitting end with the vote of thanks given by Dr. Gayatri Chaturvedi. Thus, a thunderous applause was the key to the speakers' perfect departure as we bid them adieu.
