Rakhi making Competition

In Collaboration with

Department of Environment, Government of India

To celebrate the spirit of Raksha Bandhan, the Eco club of Shyam Lal College In Collaboration with Department of Environment, Government of India organized an Eco-friendly Rakhi making competition in the college campus on 14 August 2019 under the supervision and guidance of Dr. Pankaj Choudhary (Convener) and Dr. Sunaina Zutshi (Teacher coordinator) of Eco club society. The Convener along with the Members tied Rakhi on the tree and committed themselves to protect trees.

The objective of this competition was to increase the awareness among the students and teaching fraternity to protect and safeguard the environment and avoid using non-biodegradable resources. The theme of this competition was to make Eco-Friendly Rakhi using biodegradable materials such as cotton, leaves, paper, kalawa, etc. The event witnessed the full support and participation from students, faculty members, and non-teaching staff demonstrating their commitment towards environmental sustainability. All the students showcased their artistic skills to weave magic with colourful threads and eco-friendly materials. 50 students from various streams participated in this event and were acknowledged for their creativity with a certificate of merit and appreciation. The competition came to an end as students committed themselves on a positive note. There was an atmosphere of learning and growing together.
