In collaboration with  
**Department of environment, Government of India**

Shyam Lal College (SLC), takes its first step to spread more awareness among the students and society about the conservation of Yamuna River. Taking inspiration from Prime minister of India call for “Nadi Utsav” (celebrating the rivers) aim is to spread the awareness among young mass too. The Yamuna River is of great economic significance to Delhi today. It covers 22 KM (approx.) from Wazirabad Barrage to Okhla Barrage in Delhi segment. There is a barrage at Wazirabad which supplies drinking water to the city of Delhi. Yamuna River also has its own historical and well as cultural values. Yamuna River plays a significant role in the field of spiritualism. Various Ghats at the Yamuna River are the holy pilgrimage site for worship. Thousands of people visit Ghats of Yamuna River for the Yamuna aarti on regular basis. Yamuna festival would not only celebrate the glory of the rivers Yamuna but all the rivers present in the country. Taking this theme, SLC presents its first Yamuna Mahotsav from 5th to 6th of March, 2021 to create awareness for the protecting of conservation of Yamuna River. Eco club of SLC along with NSS unit also undertake the Plantation drive, Cleanliness drive, Yamuna Aarti with Eco friendly deyas made by team along with more than 1000 lamps at Ghat No. 21, Yamuna Bazar, Kashmiri Gate, Delhi 6. Eco club volunteers also organized Art and craft exhibition where handmade nests, flowerpots, environmentally friendly bags, wall hangings etc. were displayed in the college campus. Total 60 students participated in this event.
