

Eco-club (the_last_leaf) Shyam Lal College
In collaboration with
Department of Environment, Government of NCT, Delhi

The Eco Club of Shyam Lal College, in collaboration with the Swachh Action Plan (SAP), organized a poster-making competition on the theme “Eliminating Single Use of Plastic from Life” in online mode on 16th April 2023, through Google Meet. Several students from various streams participated, imparting social awareness about the negative impacts of single-use plastic and providing insights on saving the environment and creating plastic-free surroundings. The competition aimed to motivate students to come forward, make posters, and discuss the harmful effects of using plastic. The students responded enthusiastically, reflecting on the effects of plastic on the environment, and expressed their gratitude to the volunteers who conducted the program. Almost 40 students participated in this poster competition.
