

Eco-club (the_last_leaf) Shyam Lal College
In collaboration with
Department of Environment, Government of NCT, Delhi

SLC organised the flagship event “Umang-East Delhi Flower Show 5.0” (PUSHPMAHOTSAV) on 24th February 23 on its campus. The Garden committee of SLC in collaboration with Eco-Club, Swachhta Action Plan (SAP), and IQAC actively organized several competitions namely Best out of Waste, Eco-Friendly Rangoli, Photography and Videography competition to encourage students to show their creativity and promote eco-friendly activities. Students were encouraged to use organic waste material to create useful products in the best-out-of-waste competition. This event helped promote recycling. The SLC Garden Committee has made significant contributions to the college's green initiatives. Their dedication and hard work have resulted in a stunning collection of seasonal plants, including Marigold, Roses, Lilies, Daisy, Chrysanthemum, Petunia, Plumeria, Pansy, Balsam, and Gerbera. Additionally, the committee has successfully developed Bonsai plants, Guldavari, Calendula, Money Plant, Syngonium, Chandani, Rati Ke Rani, and Fortula in the college nursery. This event and the Garden Committee's efforts, under the guidance of Principal Sir Prof. Rabi Narayan Kar, demonstrate the power of collective action and community engagement in promoting sustainability and environmental stewardship. We applaud the committee's tireless efforts and look forward to their future initiatives.
