On January 31<sup>st</sup>, 2024, the Eco-Club of Shyam Lal College organized an e-waste writing competition to address the pressing issue of electronic waste and its environmental impact. The event saw enthusiastic participation from 20 students across various departments, showcasing their commitment to sustainable practices. The competition aimed to encourage students to explore innovative solutions for managing e-waste, educate their peers about its environmental impact, and promote responsible disposal practices. Participants submitted essays, articles, and creative pieces on topics such as e-waste recycling processes, hazardous materials in electronic waste, and strategies for reducing e-waste generation.
