*In collaboration with*  
**Department of Environment, Government of NCT, Delhi**

On the occasion of Ozone Day (16<sup>th</sup> September 23), a cleanliness and plantation drive was organized both within and outside the campus by Eco-club and SAP of Shyam Lal College. The event aimed to raise awareness about protecting our environment and the ozone layer by actively participating in community clean-up efforts. The event saw enthusiastic participation from 50 volunteers. Their dedication and commitment were truly commendable. Volunteers cleaned up litter and waste from the streets, parks, and public areas near Trilokpuri, Delhi, and conducted a plantation drive on campus and near Pandav Nagar, New Delhi. This was a concrete step towards improving air quality, mitigating climate change through carbon sequestration, and creating a more sustainable and green environment. We extend our heartfelt gratitude to all the volunteers, students, and organizers who made this event possible. Together, we are shaping a cleaner, greener, and more sustainable future.

The poster features three logos at the top: Shyam Lal College, Eco-Club, and the University of Delhi. The main text is centered and reads: 'SLC (University of Delhi) Shyam Lal College', 'Eco-club (the\_last\_leaf) & Swatch Action Plan (SAP)', 'Organize', 'CLEANLIENESS DRIVE COMPETITION & PLANTATION DRIVE ON', 'OZONE DAY', and '(16<sup>TH</sup> SEPTEMBER 23)'. At the bottom, it lists 'Team Eco-Club & SAP' and 'Prof. Rabi Narayan Kar, Principal, SLC'.
