

**Eco-club (the\_last\_leaf) Shyam Lal College**  
*In collaboration with*  
**Department of Environment, Government of NCT, Delhi**

The Eco Club members of Shyam Lal College conducted a comprehensive drive on June 5, 2024, on the eve of World Environment Day. 20 volunteers participated in the plantation drive, planting native trees in designated campus areas. They also conducted a thorough clean-up, collecting plastic waste from both inside and outside the campus, with special attention to high-traffic areas. Students and staff were encouraged to reduce their plastic footprint by minimizing single-use plastics. The collected plastic waste was properly disposed of, making the campus cleaner and more eco-friendly. Due to the scorching heat, volunteers took extra care to water the saplings and ensure their survival, and they placed water pots around the campus to provide birds with hydration. The Eco Club's efforts were well-received, highlighting the community's commitment to environmental conservation and animal welfare.
