

Eco-club (the_last_leaf) Shyam Lal College
In collaboration with
Department of Environment, Government of NCT, Delhi

The Department of Environment, GNCTD, organized the 'Red Light On, Gaadi Off' campaign to increase public awareness about the importance of turning off vehicles at red lights, aiming to reduce pollution in Delhi. Supporting this cause, the Eco-club at Shyam Lal College organized a one-week '**Sankalp Sabha**' from November 3rd to 9th, 2023. This event, in line with the campaign, focused on addressing the high levels of air pollution in Delhi, highlighted by the city's alarming Air Quality Index (AQI), which poses significant health risks. A committed team of 30 volunteers led this initiative, pledging to reduce pollution and increase awareness in Shahdara, the college's surrounding area. Additionally, they engaged their classmates in this initiative by giving presentations on the topic. Their efforts to promote eco-friendly practices are vital in mitigating the harmful effects of air pollution.
