

Eco-club (the_last_leaf) Shyam Lal College (M)

In collaboration with

Department of Environment, Government of NCT, Delhi

This winter, the Eco-Club team at Shyam Lal College launched a heart-warming initiative, organizing a Winter Collection Drive in collaboration with the Department of Botany. Between December 21st, 2024, and January 15th, 2025, a dedicated team of 15 students collected warm clothing, blankets, and essentials to support those in need, focusing on the underprivileged communities in East Delhi's Shahdara, Naveen Shahdara, and Seelampur areas. Through this drive, the team spread warmth and kindness throughout the community, demonstrating their commitment to social responsibility and compassion.
