DATE - 15TH OCTOBER
TIME - 3PM ONWARDS
 "E- Certificates will be provided to all the participants"

Dr. Saubhagyaxmi Singh (Convener)  /iic.slc Prof. Rabi Narayan Kar (Principal)

Organized by IIC, SLC

Date: October 15, 2024

Time: 3:00 PM - 5:30 PM

Platform: Google Meet

In honor of the birth anniversary of Dr. APJ Abdul Kalam, the Institution's Innovation Council (IIC) of SLC for the National Entrepreneurship Challenge (NEC) organized a Poster Making Competition on October 15, 2024, from 3:00 PM to 5:30 PM. The event, held virtually on Google Meet, encouraged students to explore the theme of "Innovation and National Development," honoring Dr. Kalam's incredible contributions to science and technology. Participants were invited to pay tribute to the "Missile Man of India" by expressing and showing their creative ideas through art.

Students had the option to create their posters digitally or by hand, and the event kicked off with an introduction to the theme, which highlighted the critical role of innovation in driving national progress—a vision championed by Dr. Kalam. A diverse group of students enthusiastically shared their creative interpretations of innovation, national development, and Dr. Kalam's legacy.

After crafting their posters, each participant presented their work, explaining the thought process and inspiration behind their designs. The judging panel, which included respected faculty members—Dr. Saubhagyalaxmi Singh, Mr. Balram, Dr. Sunny, and Dr. Bisla—evaluated the posters based on creativity, relevance to the theme, originality, and presentation skills. Judges also engaged with the participants by asking questions that encouraged deeper reflection on the ideas represented in the artwork.

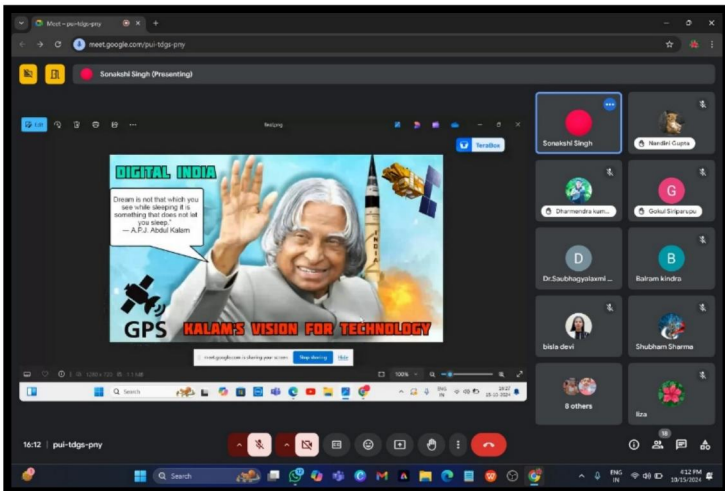

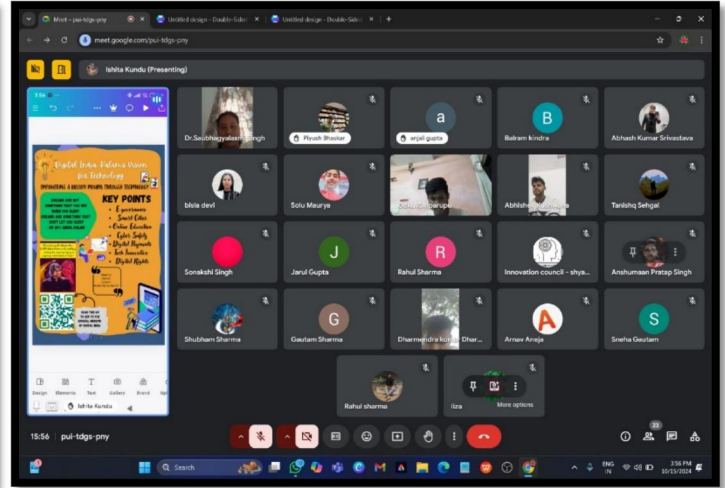

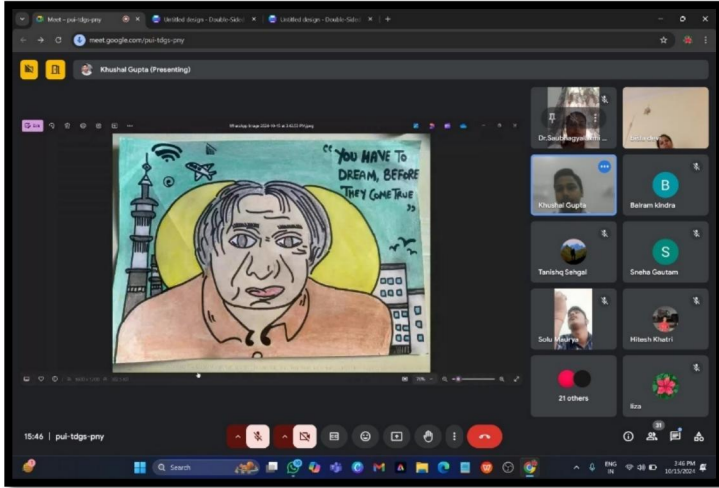

The competition was a great success, with students showcasing impressive creativity and thoughtful interpretations. All participants received certificates of appreciation, and the winner were awarded trophy, adding a healthy competitive spirit to the event.

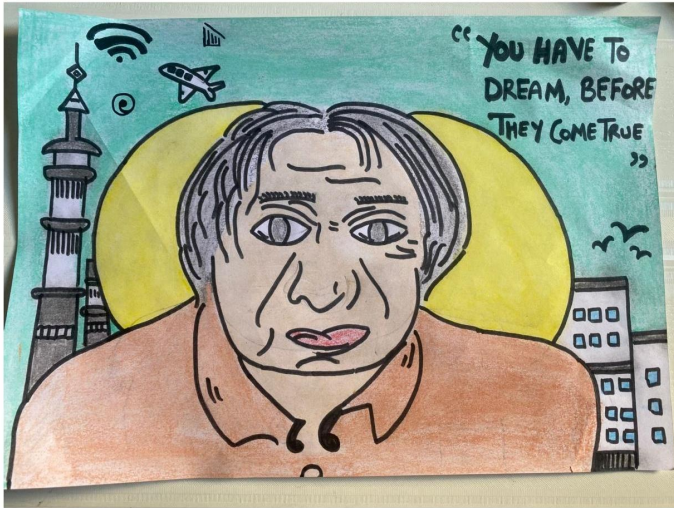

This competition not only honored Dr. Kalam's legacy but also inspired students to think about how innovation can shape the future of the nation, just as Dr. Kalam envisioned. The students' enthusiasm and the judges' insightful feedback made the event truly memorable.
