GENESIS
 "Where Innovation Begins"

1. Event Overview

A workshop on “Startup on Legal and Ethical Steps” was organized to provide students with a clear understanding of the legal frameworks and ethical considerations involved in starting and managing a business. The session focused on guiding students through essential legal requirements, compliance processes, and ethical responsibilities necessary for building a sustainable startup.

The workshop aimed to bridge the gap between innovative ideas and their lawful and responsible implementation in the real world.

2. Objectives of the Event

The key objectives of the workshop were:

- ~ To introduce students to legal procedures involved in starting a business
- ~ To create awareness about ethical practices in entrepreneurship
- ~ To explain compliance requirements and legal documentation
- ~ To guide students on avoiding legal risks in startups
- ~ To promote responsible and sustainable innovation

3. Introduction

The workshop commenced with the **Saraswati Vandana**, followed by the **Delhi University Kulgeet**, creating a formal and respectful academic atmosphere.

This was followed by a formal welcome of the speaker and participants. The organizing team highlighted the importance of legal and ethical awareness in today’s rapidly growing startup ecosystem.

Participants from various departments actively joined the session and showed keen interest in understanding how startups can be built in a legally compliant and ethically responsible manner.

4. Session Highlights

The key highlights of the session are as follows:

- Explanation of what a startup is and how it differs from traditional business models
- Discussion on startup failure rates, emphasizing that many startups fail due to funding issues and lack of legal awareness
- Introduction to Intellectual Property Rights (IPR), including trademarks, patents, and copyrights
- Guidance on how to file for IPR and methods to check whether an idea or product is already registered
- Emphasis on the importance of legal protection to avoid future legal complications
- Discussion on common legal mistakes made by startups and the need for proper compliance
- Explanation of important laws that startups often overlook, such as labour law compliance and regulatory requirements
- Detailed overview of the startup registration process and benefits of official recognition
- Insights into different laws applicable across industries and their respective exemptions
- Interactive question-and-answer session where students clarified their doubts related to startup laws and procedures

5. Outcome & Impact

- Students gained awareness of legal frameworks in entrepreneurship
- Improved understanding of ethical business practices
- Enhanced knowledge about startup registration and compliance
- Encouraged responsible innovation and decision-making
- Increased interest in entrepreneurship with proper legal awareness

6. Acknowledgements

We sincerely thank **Dr. Richa Gupta** for delivering an insightful and informative session on the legal and ethical aspects of startups.

We express our gratitude to **Prof. Rabi Narayan Kar, Prof. Kusha Tiwari, and Dr. Saubhgyalaxmi Singh** for their continuous support and guidance.

We also appreciate the efforts of all faculty coordinators, organizing team members, and students for their active participation and contribution to the successful conduct of the workshop.

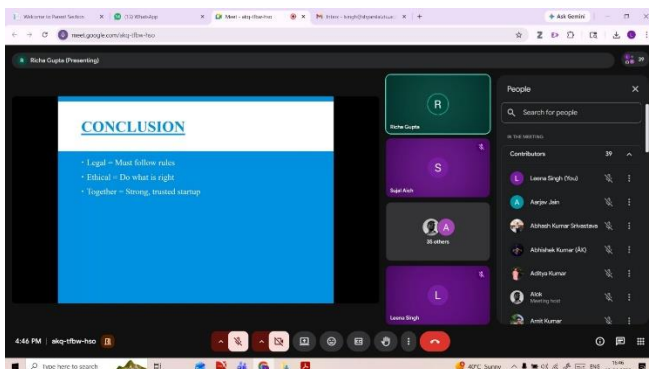

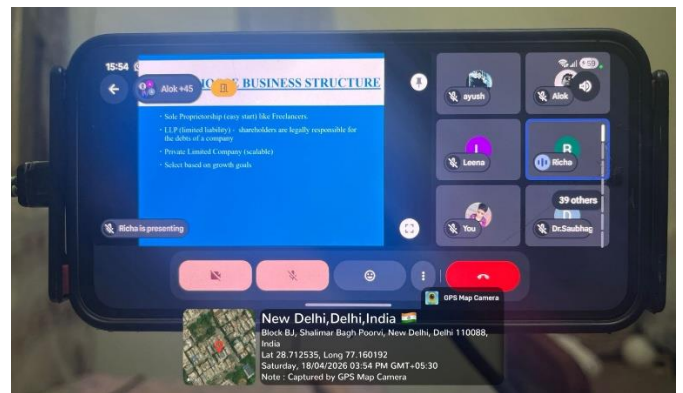

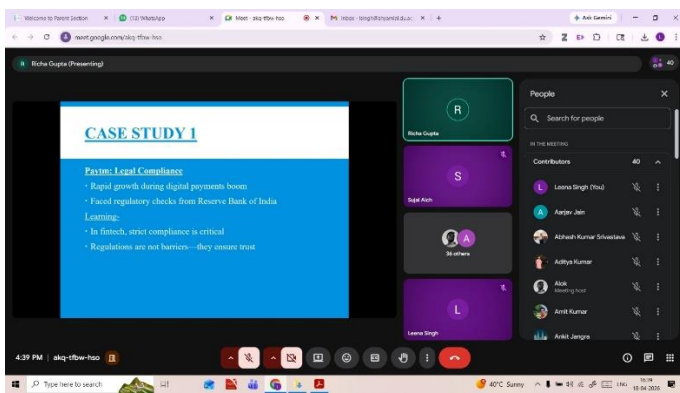

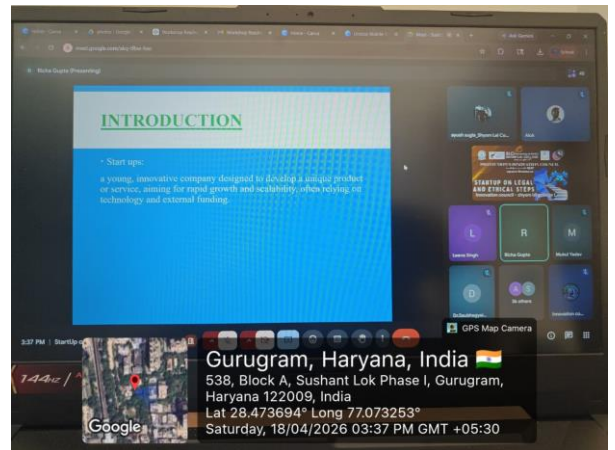

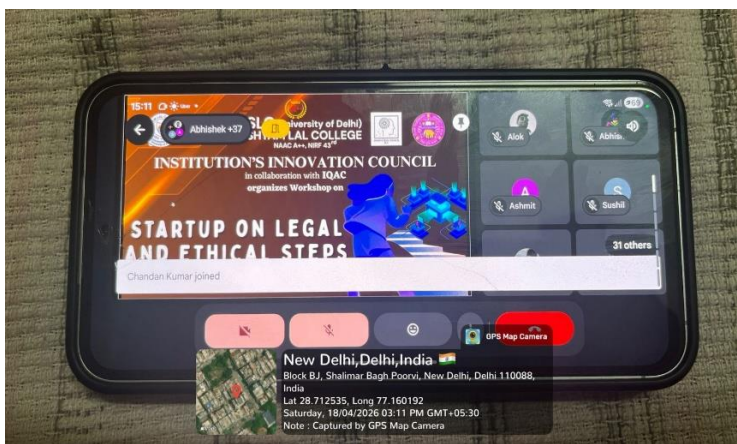

7. Media & Documentation

Photographs and recordings of the session have been documented and will be shared on official platforms:

8. Conclusion

The workshop on “Startup on Legal and Ethical Steps” was successfully conducted and proved to be highly informative and impactful. It provided valuable insights into the legal and ethical dimensions of entrepreneurship, which are essential for long-term success.

The session encouraged students to not only innovate but also ensure that their ideas are implemented responsibly and in compliance with legal standards, aligning with the vision of the Institution’s Innovation Council.
