

# **Report: Session 2023-24**

## **SLC North Eastern Cell**

### **Activity: Stall in University Chef Competition**

The North Eastern Cell of Shyam Lal College put up a tea stall for the University Chef competition for two consecutive days, that is on the 5th and 6th of March 2024. A group of more than twenty members participated in setting up and managing the stall. The main food item was the tea sourced from the Northeastern part of India. Two different types of tea were sold: masala tea and Assam tea. Along with this, the cell also sold shinju which is a Manipuri dish.

The students of the cell shared information about their respective communities with those who visited the stall. The Northeastern students became the cultural ambassadors of their people and region. The stall was set up under the supervision of the teachers Dr. Rohit Jahari and Dr. M. Abbasuddin Tapadar.
