North East Cell

Participation in Unity Cup organised by North East Society, Moti Lal Nehru College (M)

The North East Cell, Shyam Lal College (M), participated in the Unity Cup organised by the North East Society of Moti Lal Nehru College (Morning), held from **14th to 16th November 2026**. The event brought together North East society's football teams from various colleges, offering a competitive platform to promote sportsmanship, teamwork, and intercultural exchange among students from the North East community. NE Cell of SLC entered the tournament with enthusiasm and preparedness, representing the college with dedication. In the first match, we faced the host team—the Men's Football Team of the North East Society, Moti Lal Nehru College (M). Despite our best efforts and a commendable performance from all players, we were defeated. Although the outcome was not favourable, the tournament provided significant exposure and contributed to the overall development of the team and the cell too. Members gained valuable on-field experience, enhanced their competitive readiness, and strengthened their understanding of team dynamics.
