Orientation Session - Student Induction Programme

Date: 30th September 2024
Centre: VIMARSH (The Reading Club), Sarasvati IKS Centre
Convenor: Dr. Seema Guglani
Venue: Board Room
Collaborations: IQAC
No. of Student Participants: 31

The Orientation Session of the Student Induction Programme, organized by VIMARSH (The Reading Club) under the Sarasvati IKS Centre, in collaboration with IQAC, was held on 30th September 2024. The event began with a welcome speech by the Convenor, Dr. Seema Guglani, who outlined the vision and mission of both the VIMARSH Club and the Sarasvati IKS Centre.

Dr. Guglani warmly acknowledged the support and guidance of Principal, Prof. Rabi Narayan Kar, and IQAC Director, Prof. Kusha Tiwari, in making this initiative possible. She highlighted how their leadership and commitment to fostering academic excellence and cultural engagement have been instrumental in shaping VIMARSH as an intellectual platform for students. Their strategic vision has helped create an enriching space for students to engage in dialogue and explore various academic and cultural dimensions.

In her speech, Dr. Guglani explained that VIMARSH provides students with a platform to develop leadership skills, engage critically with global issues, and explore diverse topics such as current affairs, literature, economic growth, and cultural heritage. The club aims to equip students with essential skills for competitive exams and holistic development, fostering intellectual curiosity and helping students become well-rounded individuals capable of making meaningful contributions to society.

She further elaborated that the Sarasvati IKS Centre focuses on the study and dissemination of India's rich Indian Knowledge Systems (IKS) heritage. The centre integrates ancient Indian wisdom—including spirituality, Ayurveda, philosophy, mathematics, and governance—into modern academic discourse, bridging traditional knowledge with contemporary inquiry. It promotes cultural pride while encouraging innovative thinking. Dr. Guglani emphasized that both platforms offer unique opportunities for students to explore interdisciplinary fields, understand cultural legacies, and contribute to preserving India's intellectual heritage. She encouraged students to actively participate in the club's upcoming events and make full use of the resources available to them through the IKS Centre.

Following the introduction, the attendees were given a detailed overview of past events organized by VIMARSH and a preview of forthcoming activities. The interactive session began with the game "Katha Twist," which consisted of five rounds. Participants had to build a

coherent story in just five seconds, using short sentences based on an initial prompt provided by the hosts. This was followed by the second game, "Word Monarch," a word-building challenge that involved creating new words in five seconds, with the first letter of the new word being the last letter of the previous one.

Faculty members Dr. Gayatri Chaturvedi, Ms. Priyanka Yadav, and Dr. Anuj Kumar Sharma also attended the event and engaged with students throughout, contributing to the vibrant and interactive atmosphere.

After the conclusion of the games, Dr. Seema Guglani delivered the closing remarks, expressing her appreciation for the enthusiastic participation of students. She encouraged everyone to continue engaging with VIMARSH's activities in the coming months and make the most of the opportunities offered through the Sarasvati IKS Centre.
