Industrial Visit to Mother Dairy Plant

21stOctober, 2021

Name of the event: An Industrial Visits to Mother Dairy Plant

Description:

Training and Placement Cell organises an industrial visit to Mother Dairy Plant in Patparganj, Delhi on 21stOctober, 2021. 30 students participated in this industrial visit. The students were accompanied by two faculty members - Mr. PawanAdewa and Mr. Varun Panwar. The students assembled near hockey ground in the morning and departed for the visit at around 9:30 am.

Students were informed about various tests to check the purity of milk and were shown the processing plant of the Mother Dairy. The students also learned about how milk is collected from the corporate farmers, strictly undergoes with more than 24 tests of quality control i.e. adulterants, temperature, taste, fragrance & weight. After the question and answer session, they finally got a chance to visit the factory.

They gave the information about importance of milk for teenagers and its composition. They also gave the information about various varieties of milk i.e. toned, full cream & skimmed milk, based on its fat and SNF (Solid not fat). They showed storage tanks, homogeniser, pasteuriser and other machines of the Mother Dairy Plant. Finally on the completion of tour, the appetite was duly taken care with refreshments.
