

ORIENTATION PROGRAMME

Resource Person(s)/ (Keynote speaker): Prof. Rabi Narayan Kar (Principal), Dr. Mukta Rohatgi (Teacher-in-Charge), Dr. Ruchika Ramakrishnan (Convenor-Commblaze), & respected faculty members of the commerce department

Date & Venue: 2nd Nov. 2022; Seminar Hall, SLC

Number of participants: 250 (Approx.) student participants & faculty members of commerce department

The Department of Commerce held an orientation for new students on 2nd Nov., 2022, to commemorate their triumphant arrival at SLC. The goal of the orientation session was to introduce them to the college environment and to apprise them about the college, commerce department, faculty members, its vision, its achievement and the rules and regulations of the institution. The orientation was attended by over 250 students and their parents in the seminar hall of the college.

The orientation began with a PowerPoint presentation introducing the college and department to the newcomers. The faculty members addressed the students and explained the academic aspects, the course, the subjects they would study, the rules and regulations they must adhere to, and the expectations for their behaviour. They were also given an overview of the various societies, centres, and associations of the college and the faculty members associated with them.

Students were mentored, inspired, and driven to develop themselves and their skills over the upcoming four years. The session allowed the students to connect with the faculty members. They were also informed about the various opportunities coming along their way. The faculty members also responded to the questions of students. The orientation session helped the students warm up before the commencement of their classes. With best wishes for their educational journey and future endeavours, the teachers bestowed blessings on the students.

The program lasted for around an hour and finished at noon. After the successful completion of the programs, refreshments were served to the students. Below are some glimpses of the programme.
