FACULTY DEVELOPMENT PROGRAM

Title: Advancements in integrated Sciences: Learning & Adaptation for Effective Teaching and Research

Department of Mathematics along with Department of Physics and Chemistry organized Faculty Development Programme on "Advancements in integrated Sciences: Learning & Adaptation for Effective Teaching and Research" from December 10-16, 2018 in collaboration with UGC-Human Resource Development Centre, Jamia Millia Islamia and CSIR-Institute of Genomics and Integrative Biology. 80 faculty members from University of Delhi and from some other universities registered for FDP. The theme of the FDP was to introduce the latest trends in frontier areas in Integrated Sciences leading to skill building of all stakeholders and enhancement of a larger academic community. The objective of programme was to bring teaching, learning and research in both experimental and theoretical domains together and provide a platform for sharing various developments in contemporary areas in integrated sciences. This FDP showcase a galaxy of well-known personalities in the science subjects as eminent speakers. Director, UGC-HRDC, Jamia Millia Islamia, Prof. Anisur Rahman inaugurated the programme along with the Principal, Prof. Rabi Narayan Kar.
