

REPORT ON ORIENTATION-CUM- WORKSHOP (WHEN MATHEMATICS MEETS DATA : CREATING THE FUTURE WITH AI)

Date: 9th October 2026

Event Name: Orientation-cum- Workshop

Centre/Society/Department: Anantsparshi: The Mathematical Society of SLC,
(Department of Mathematics)

Program Coordinator/Coordinator: Dr. Mukesh Kumar , Dr. Rajni Arora

Speaker: Dr. Aashima Bangia , Assistant Professor, Sharda University

Participants : 62 students and 8 faculty members

On October 09th 2026, Anantsparshi: The Mathematical Society of Shyam Lal College, University of Delhi, organized an Orientation-cum-workshop program. The objective of the event was to introduce students to the growing role of mathematics and data analysis in the development of Artificial Intelligence (AI).

Before the event began, all the students warmly welcomed the guest. The Mathematics faculty members then felicitated her by presenting a potted plant and a shawl as a token of respect. And then the programme commenced with Saraswati Vandana followed by University Kulgeet. After this, Dr. Mukesh Kumar, Teacher-in-Charge of the Mathematics department, addressed the students guiding them on subject selection for different academic years and explaining suitable subjects for Mathematics students. He also provided guidance on research opportunities and preparation for the fourth year, After this, Dr. Aashima Bangia began the session .

After orientation, Dr Aashima Bangia started her lecture on the topic, "When Mathematics Meets Data: The Future of AI." She shared her research and explained the connection between mathematical concepts, data science, and Artificial Intelligence. Her presentation highlighted the importance of mathematics and data in the development of AI and helped students gain a better understanding of the topic. The session also provided an opportunity for students to interact with the professor and clarify their queries. Overall, the programme was informative and insightful, offering students valuable knowledge about the growing role of mathematics and data in the future of Artificial Intelligence.

At last, Dr. Rajni Arora delivered a vote of thanks to the speakers and all those who contributed to its smooth conduct, making the program an informative and successful event.
