

# Event Report:Ganita-2026

**Organized by:** Anantsparshi, The Mathematical Society, Department of Mathematics, Shyam Lal College, University of Delhi

**Event:** Ganita - The Annual Event

**Date:** 28 April, 2026

**Venue:** Seminar Hall

## Introduction

As part of "**Ganita 2026**", the highly anticipated annual event of **Anantsparshi: The Mathematical Society of Shyam Lal College**, a lively and intellectually stimulating Quiz Competition was held. The event aimed to foster a love for mathematics, encourage quick thinking, and bring together students from various academic backgrounds in a fun, competitive environment.

## Event Highlights

The competition was a resounding success, drawing an enthusiastic crowd of around **55 attendees**. To ensure the event was inclusive and engaging for everyone, it was designed as an **Open Stage Quiz**. This format allowed anyone present in the audience to jump in and participate. To encourage participation from students outside the Mathematics department, the questions were strategically set at the **11th, and 12th-grade levels**. This inclusive approach worked brilliantly, attracting students from diverse departments who actively engaged with the questions and contributed to the vibrant atmosphere of the event.

## A Moment of Pride: The Winners

While the quiz saw commendable participation from various departments, it was a moment of immense pride for Anantsparshi as students from our very own Mathematics department swept the leaderboard. Their sharp mathematical acumen and quick reflexes earned them the top spots. We are thrilled to congratulate the following brilliant minds:

- 🏆 **1st Place: Vansh** (B.Sc. Mathematics Hons., 3rd Year)
  - **Kunal** (B.Sc. Mathematics Hons., 1st Year)
- 🥈 **2nd Place: Aditya Singh Chauhan** (B.Sc. Mathematics Hons., 3rd Year)
  - **Hemant Bhaskar** (B.Sc. Mathematics Hons., 2nd Year)
- 🥉 **3rd Place: Vinit Kumar Singh** (B.Sc. Mathematics Hons., 3rd Year)

## Conclusion

The "Ganita" Quiz Competition successfully achieved its goal of making mathematics accessible and enjoyable for the entire student body. The overwhelming response, the spirited participation from non-math majors, and the stellar performance of our own students made it a memorable highlight of the annual event.

We extend our heartfelt gratitude to all the participants, the enthusiastic audience, and the

organizing committee of Anantsparsi for making this event a grand success.

Regards  
Dr. Vinod Kumar  
Teacher-In-Charge  
Department of Mathematics
