Quiz Competition

CommBlaze: The Commerce Association teamed up with Career Launcher and organized Preliminary Round – Level 1 of quiz Competition titled "Inquisitive Minds" conducted by Career Launcher on September 6, 2018, at 10:30 a.m. in Shyam Lal College in the respective classroom. The event received massive participation from the first year, second year and third-year students of B.Com (P), B.Com (H) and Self Finance Courses, with more than 400+ students participating in the competition. Out of them, eight students qualified for the further rounds.

The quiz competition comprised of five rounds:

Level 1- Preliminary Round

Level 2- City Round

Level 3- Regional Round

Level 4- National Semi-Final

Level 5- National Finals

Students were required to participate in the preliminary round individually, and later on, the shortlisted candidates were to form a team of two at the city level. The Inquisitive Minds was earlier known as Young India Challenge, which reached out to over 5000 schools and colleges in 100 cities. Leading industry stalwarts Harsha Bhogle and Joy Bhattacharya was closely associated with this edition of "Inquisitive Minds" to mentor the students. CommBlaze conducted the event to encourage students to attain general knowledge, aside from subject knowledge. The students enthusiastically participated and showcased their brilliance by swiftly answering the questions. Though some of the questions were complex, the students tried to answer them with conviction. They found this competition very enlightening and knowledge enriching. This Quiz helped students identify what they know and what they do not know. The students then have a better idea of how well they are grasping the material, hopefully motivating them to study more and helping them allocate their study time effectively by focusing on the information that still needs more practice. The winners were awarded cash prizes up to 1,00,000 INR and numerous additional accolades. Dr. Mast Ram, Convenor, said that such competitive exams provide an excellent platform for grooming and enhancing students' competitiveness, and CommBlaze ambitiously looks ahead to organizing many more Quiz competitions in the college.
